

## REMINGTON HOTELS ANNOUNCES NEW MANAGEMENT AGREEMENT WITH NEW YORK LAGUARDIA AIRPORT MARRIOTT

**DALLAS (January 21, 2021)** – Remington Hotels, a leading third-party management company, has assumed management of the New York LaGuardia Airport Marriott in East Elmhurst, New York.

The 443-room property recently underwent a \$30 million transformation led by SoHo-based luxury hospitality design firm Sawyer & Company. Drawing inspiration from the cultural surroundings of New York's Queens neighborhood, the New York LaGuardia Airport Marriott is a gateway to the state's top sights and attractions.

"We couldn't be more proud to partner with ASAP Holdings on the New York LaGuardia Airport Marriott," said Remington Hotel's President & CEO, Sloan Dean. "It's a tremendous hotel with a great partner, and we're excited to welcome all the new associates that have joined the Remington family."

"We're thrilled to take ownership of the New York LaGuardia Airport Marriott," said Chief Investment Officer of ASAP Holdings, Jerome Yuan. "We believe in this hotel and its continued position as a market leader in the LaGuardia area. We're looking forward to a quick rebound with the brand new \$8 billion airport renovation, vaccine roll-out and forthcoming mixed-use housing and community center development."

The hotel is adjacent to the historic LaGuardia Airport and minutes away from I-278 and the Long Island Expressway, providing easy access to destinations including Citi Field, Billie Jean King National Tennis Center and Manhattan. Contemporary guestrooms feature luxurious bedding, flat-screen televisions, a wet bar and wireless internet, among other amenities. Outside of the rooms, guests can enjoy an exclusive MClub lounge for Elite and Club members, 24-hour fitness center, complimentary shuttle service, 15,000 square-feet of meeting and event space and Ditmars Bar and Grill.

The addition of the New York LaGuardia Airport Marriott marks the continued growth of Remington Hotel's third-party management sector, with several more additions on the horizon for late Q1 and early Q2.
